Niagara Falls High School
Niagara Falls, New York

FOREWORD

As we, the Class of 1962, approach the final door of our high school days, a period of transition awaits us. Upon leaving high school, we will enter a world filled with many doors; the choice is up to us. The classes we have attended and the instruction we have received will provide a sound basis for our future endeavors. Though the doors be varied through which we shall pass, the Class of 1962 will aspire to further the progress of our community.

It is not our intention, however, to blot the memories of the past two years. By publishing the 1962 "Niagarian," we shall leave this door slightly ajar, so that we may always look back on our happy days at Niagara Falls High School.

To a real great gal hope life brings you happiness.
Denny J.

DEDICATION

Progress is typified in many ways. It can be the accumulation of day by day effort evolving into a lasting impression or, perhaps, it may be evidenced by one stroke of profound intelligence. Often one sees the former illustrated; other times the latter is predominant. Seldom can one find these two composites in one person.

In our midst is an individual who genuinely embodies such attributes. Leadership, kindness, service, and a profound sense of loyalty mark her as one most worthy of acknowledgement.

It is to you, Miss Leah Simmons, that we dedicate this, the 1962 "Niagarian."

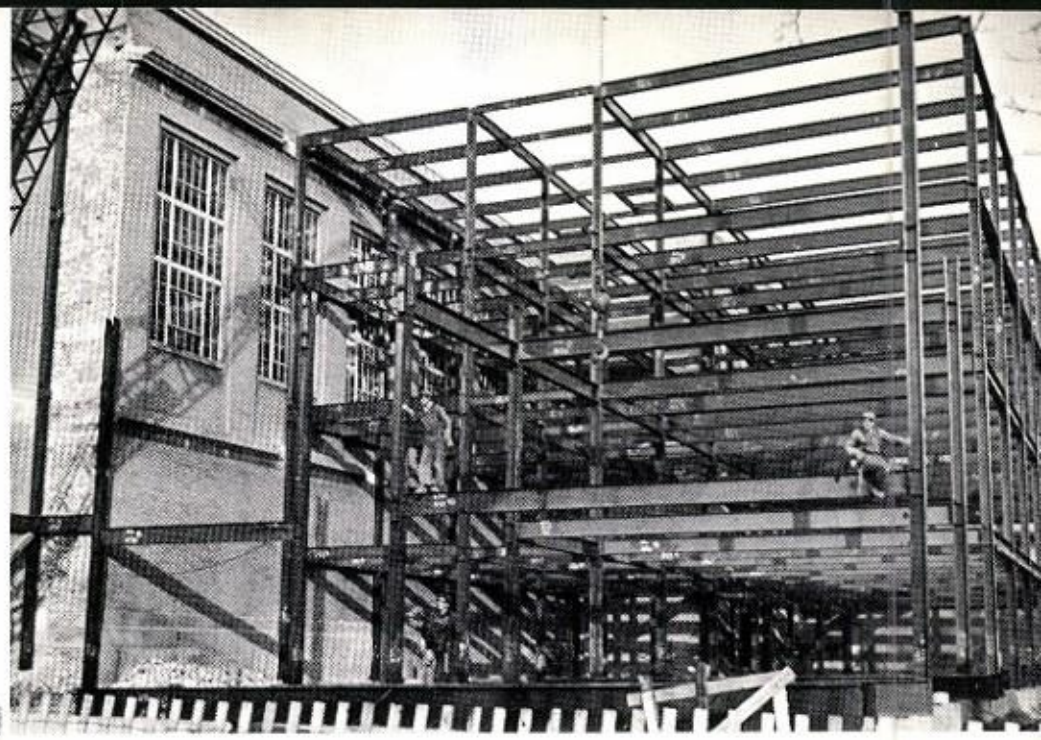
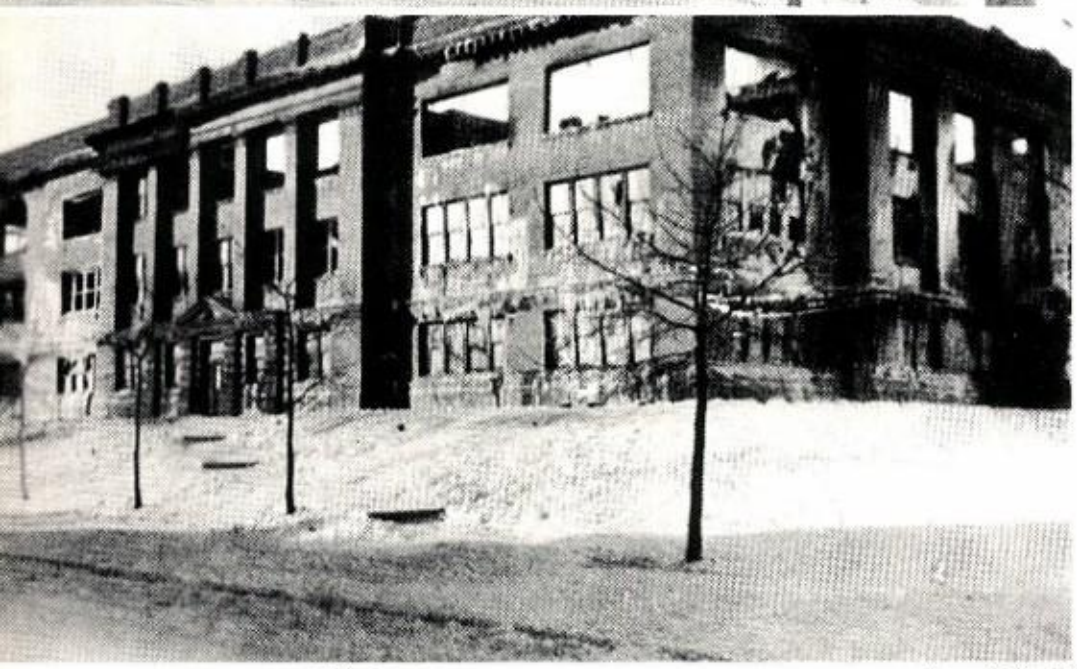
Production of the "Niagarian" is initiated by the use of a few simple tools and concepts. Hard work and determination mold these ingredients into our annual yearbook.

ADMINISTRATION



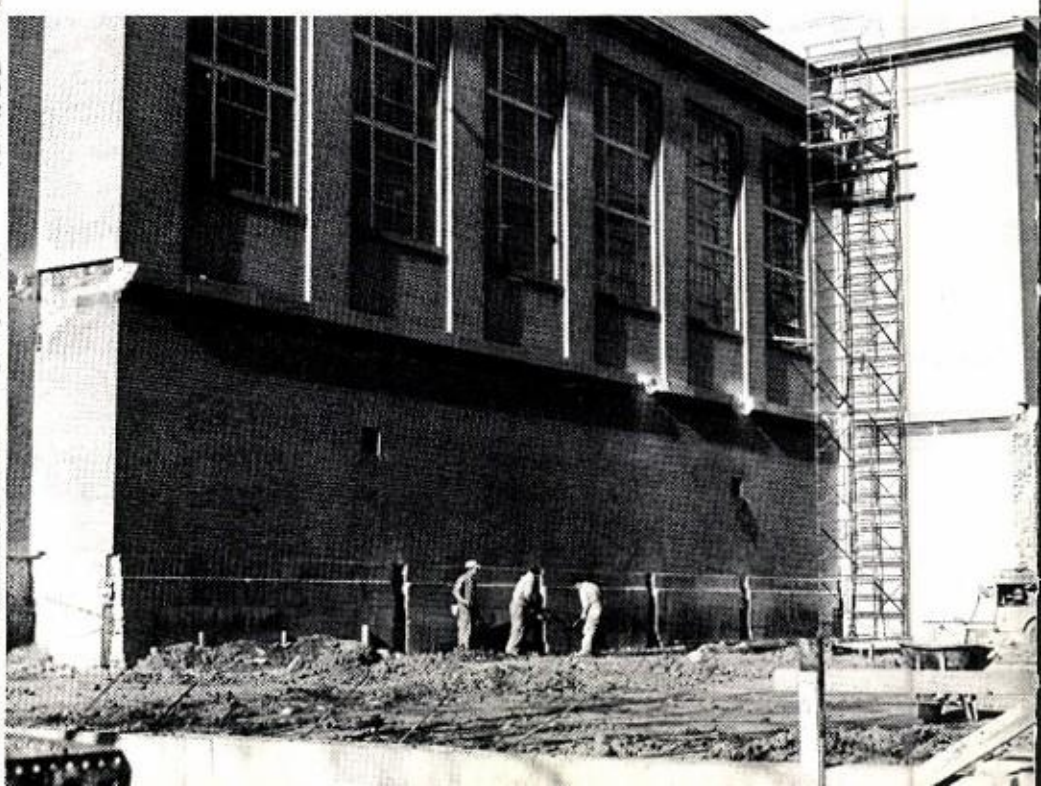


SCHOOL PAST AND PRESENT

As one glances at the diverse views of Niagara Falls High School, it becomes most apparent that the years have produced both change and progress.

Structurally, the building was razed by fire in 1922; this effected a program of reconstruction and expansion which was completed in 1923.

Progressively, strides have been made to meet and adjust to the multi-faceted world in which we live. Equipment and facilities relative to the various phases of educational development have been incorporated into a program rich with an appreciation of the total student. Now, as girders once more are placed to form an expanded Niagara Falls High School, we look forward to a future bright with promise.



SEATED: Mr. Peter Longhine, Mrs. Hugh Pifer, Mr. George Kauber, President of the Board, Mr. Joseph Chille, Mr. William Collins, Mrs. John Runals. **STANDING:** Mr. Albert Fose, Mr. John Lunney, Mr. Richard Doherty, Miss Nea Brown, Secretary, Mr. Frank Lang, Clerk, Dr. Weldon Oliver, Superintendent of Schools, Mr. Robert McKnight, Administrative Assistant of Business Affairs.

BOARD OF EDUCATION

Every public school system must be run by a conscientious body of citizens who are truly interested in furthering the cause of education. The Niagara Falls Board of Education fulfills this need. The rate of progress of the Niagara Falls School system testifies to this fact and assures us of the continued growth of our educational needs.

WELDON R. OLIVER
Superintendent of Schools

HARRY F. ABATE
Deputy Superintendent for Instruction

ELTON C. SCHWINGER
Director of Secondary Education

FRANK J. LANG
Deputy Superintendent for Business Affairs

To the Seniors of 1962:

You have now reached the doorway which you alone must open, and beyond it lies your future. Up to this time, you were able to proceed with a planned program whose goals were rather easily seen and evaluated by you. Your classes were steps to them, and your teachers counseled you along the way. The threshold has a good foundation.

Your progress through school has made you worthy to approach the doorway to life with a good degree of confidence. We know the years ahead will be a wonderful adventure.

My best wishes go with you.

Timothy A. O'Brien
Principal

ADMINISTRATION

To the Class of 1962:

You have chosen as your theme "Progress is the Doorway to Life." When you entered kindergarten or first grade, the doorway to educational opportunities was opened to you. As you have advanced through school, new and wider doors have been opened. Each of you has developed your capacities according to individual skills and effort. Your personal power is yours alone.

Nothing worth having is easy to win. It has been said that when one ceases to progress, he begins to deteriorate. As you leave high school, each of you will go his or her way — new friends, new interests and new opportunities. Your life will develop according to the manner in which you take advantage of these opportunities. It is my hope each of you will travel the road of progress.

My sincere congratulations and best wishes to you.

ALMA MATER

We love thee, dear old high,
With your halls of learning grand.
Your colors we'll hold high,
To the front we'll proudly stand,
Always, always staunch and true,
Always, always proud of you!
And your praises loud we'll sing,
We to thee our homage bring.

Nine 'rahs for Niagara Falls!
Nine for the Red and Gray!
To duty now she calls,
That success may with us stay.
So we pledge ourselves anew,
N.F.H.S. we'll be true,
And for you we'll climb the height,
Niagara, you're all right.

CLASS OF 1963

The result of the Junior Class election of officers produced some very outstanding leaders for the present year. John Zankowski was elected President; Jack Foster was chosen Vice-President; Anne Cale became Secretary; and Sandy Tantillo was selected Treasurer. The new officers were ably guided by faculty advisors, Miss C. Bishara, and Mr. R. Babbage.

In the meeting which followed, several fund-raising activities were discussed. The variety and originality of the suggested projects showed the trust placed in its new representatives by the Junior Class to be well founded.

THE INQUIRING REPORTER

Question: What do you, as a member of the Sophomore Class, think of Niagara Falls High School?

Barbara Munger
Inquiring Reporter

Tom Weisflog: I like the High School better than the Junior High School because of the more adult atmosphere.

Mary Ann Puerner: I like the freedom in the halls in High School. The mixed grouping of classes is good because we meet many people in the junior and senior classes.

Charles Rader: The High School is very nice but the lunch room is rather crowded. There are more nice girls here — and that interests me.

Cynthia Barkley: I like it! There are more people to meet and more extracurricular activities to participate in. However, I get more homework which I don't have time to do.

Diane Wyrauch: There isn't too much difference in the school itself. We still get the same amount of homework.

Jill Palumbo: The teachers are friendly. I was really surprised that the upperclassmen accepted us as well as they did. Most of us were afraid of coming to the high school because we were in the minority.

The Niagarian Staff, guided by Mrs. H. Donovan and Miss A. McCabe, have donated a great deal of time and effort to make this year's Niagarian the best ever. Led by Co-Editors Elyse Olearczyk and Michael Puerner, the staff introduced each facet of school activity. It is their hope that the book will become a permanent part of each student's memories. The theme which was selected by the staff is "Progress is the door to life."

Among the additions to this current yearbook are a senior history, flags of the homeroom states, and a sophomore section.

The selling campaign was successfully launched by the Variety Show, which had a vaudeville theme. Highlighting the show was the election of a king and queen.

STUDENT COUNCIL

STUDENT COUNCIL OFFICERS: Joe Hurst, Curtis Bolden, Mr. A. Chille, Advisor; Gwen Mackenna, Joe Genovese.

Every homeroom at Niagara Falls High School is a state represented in the Student Council by a governor and a lieutenant-governor. The governors meet weekly to transact business pertaining to student activities. A record of the meeting is sent to each homeroom in the form of an agenda sheet. Thus the students are informed of "what's up."

The Student Council this year sponsored a Spud-nut sale, the Salvation Army Christmas baskets, and dances after home basketball games. The proceeds from the dances go to the general student fund, part of which will be used for a Block "N" dinner honoring our athletes. The dances also promoted school spirit.

An innovation this year was the Tri-School Council, consisting of the officers and two representatives from each of the three high schools in Niagara Falls. Three times yearly this council met to exchange ideas and make suggestions for better coordination of activities and projects.

Student Council officers for 1961-1962 are: President, Joe Hurst; Vice President, Joe Genovese; Secretary, Gwen MacKenna; Treasurer, Curtis Bolden. Mr. A. Chille is their advisor.

CHRONICLE

Our highly praised school paper, The Chronicle, afforded an opportunity for all those interested in journalism to gain valuable experience and provided the student body with accurate news of school functions and personalities. Joan Lynch and her capable staff, under the guidance of Mr. W. Brady, succeeded in putting forth a publication worthy of the merits it has received. The facts and fun presented were appreciated by the many subscribers.

A vote of thanks to Joan Lynch, Editor-in-chief; Lillian Williams, News Editor; Marie Terrano, Feature Editor; Joy Colucci, Sports Editor; Louise Hooper, Editorials and Adulia Talbott and Lorraine Sunicki, Business Managers. HONOR SOCIETY

A high scholastic average, plus the combined qualities of character, leadership, and service make any student eligible to membership in the National Honor Society. This group promises to supply many of the leaders of tomorrow.

The members maintained the first floor book store, the profits of which provide an annual scholarship for an outstanding member. Besides being active in at least one other outside activity, the students are kept busy with two induction programs, the Victory Dance after the Student Council election, an excursion and joint banquet with the three other senior Honor Societies in the city.

Actual participation in classroom activities gives the individual a preview of his future in this worthy vocation. Miss G. Erwin, Guidance Counselor, is the advisor of the cadet teacher program.

CADET TEACHERS

FUTURE NURSES CLUB

This, another group new to N.F.H.S., is made up of prospective nurses. They are sponsored by the Women's Auxiliary to the Medical Corp of Niagara Falls. This year's meetings were concerned with discussing preparation and requirements for various nursing schools, visiting area hospitals, and having lectures on related topics. WRITERS' WORKSHOP

The "Stardust," our school literary magazine, offers students a chance to display their creative skills. As this year's copy is bigger and better, more students are entering their works for publication. The staff members choose the best selections and edit them if it is necessary. When their work is complete, and the issue published and bound, the "Stardust" gives us many moments of fun and entertainment. We discover that N.F.H.S. has many authors in the making.

LIBRARY

Our library's face changed greatly this year. New additions include a science corner with many new scientific books and periodicals, four new sets of encyclopedias, much appreciated new open work tables and many good books. Our Librarian, Miss M. Blackmar, with her numerous assistants, is kept very busy executing her many duties. The girls help by checking books in and out, maintaining the trophy case and bulletin boards, and locating materials for students.

DRAMATICS

Renewed interest in theater acts and dramatics shown by the students of Niagara Falls High School led to the formation of the new Drama Club this year. The group was formed under the direction of Mrs. C. Hill, Advisor, and has a membership of thirty. Officers elected at the beginning of the year are: Todd Wallens, President; Karen Rowles, Vice-President; Charles Rader, Secretary.

The purpose of the club is to enrich the knowledge of each member both in the actual participation of plays, and also in those things directly connected with the production. These would include directing, lighting, and stage setting.

The group's first major effort was the production of "The Valient Villain," a melodrama with a "twisted" plot. The villain, Todd Wallens, is continually chased by Mary Ann Puerner, the heroine. The hero, Charles Rader, keeps interfering to save the farmer's beautiful daughter." The farmer and his wife, Stanly Hriczak and Karen Rowles; their other beautiful daughter, Beverly Hattfield; and Patricia Pasco, the villain's wife; all help to add confusion to the plot. Finally, the villain is saved by the sheriff, Peter Arico, and gladly turns over the mortgage to the farm for his freedom.

With such a successful season, members of the Drama Club express their confidence in an even greater group next year.

The Deca Club of N.F.H.S. is the new local chapter of a state and national movement called Distributive Education Clubs of America. Membership may be held only by those enrolled in cooperative part-time distributive education. Its meetings offer the students an opportunity for greater understanding of the field, and present them with information on future opportunities. The pattern of operation includes social, civic, benevolent, fund raising, and professional activities. Besides cooperating with the projects of the Chamber of Commerce, this year's group made posters for the Halloween Parade given by the North End Merchants and went on field trips. James Sandanato, President, aided by William Lops, Vice-President, Teresa Pietras, Secretary, Arthur Cowart, Treasurer, and Mr. F. Orfano, Advisor, preside over the bi-monthly gatherings.

STAGE AND PROJECTION CREW

Lights, sound, scenery, curtains and special effects essential to all stage performances are the duties of this group. To them we owe a vote of thanks for their important part in the success of our assemblies and variety shows.

EDUCATIONAL TELEVISION

Although only in its second year of existence in our school system, Educational Television has proven itself beneficial to many students. We are privileged to view programs in English Literature, music, and world history prepared by students as well as teachers. Experimenting with classes was found to be a novel and informative way to present old ideas. Mr. W. Brady is in charge of this program at N.F.H.S.

CIVIL DEFENSE

As the whine of the alert siren begins, the clinic and cafeteria become first-aid stations, and the civil defense team moves into action. In the event of an actual attack, stretcher bearers would transport the injured to the stations to receive first aid under the direction of our nurse, Miss H. McCarney, and her assistants. Couriers relay messages between the air-raid stations, homerooms, and office personnel. The team, instructed and prepared, is ready for any emergencies.

The Science Library, one of several improvements on the fourth floor, is something entirely new this year. In it are the books gathered from each science room, plus several hundred books available through the National Defense Education Act. Students are encouraged to use the references, the magazines, and other books during their study halls for assignments or for personal research. A staff of student assistants carries out the library duties each period. It is the hope of Miss R. Johnson and Mr. R. Pitrone, the organizers, that this library will grow and contribute greatly to our science department.

JOHN MARSHALL CLUB

Being able to express themselves in prepared or extemporaneous discussions is a must for every member of the John Marshall Club. Members must also maintain an 87 per cent average in Citizenship Education. With "there are two sides to every question: find them" as its motto and purpose, this club has debates and discussions prepared by the members, and lectures from qualified out-siders. Current events or subjects pertaining to Citizenship Education or to their main project are the topics studied. The project of the year is representing France in the Model United Nations at Buffalo in May. In preparation, the members familiarize themselves with France and its cultural and political background. They then take France's part in this model workshop which functions exactly as its actual counterpart. The John Marshall Club bestows an award in June upon the student exhibiting outstanding qualities in citizenship. Mr. E. Ducette is the advisor.

FORENSIC SOCIETY

One of the oldest functioning groups in our high school is the Forensic Society. At the meetings every other Tuesday, its masculine members engage in debates, discussions, and extemporaneous speaking. A dinner at the host's home puts the finishing touch on each meeting. An oratorical contest, judged by local attorneys, is the climax of the year. A gold plaque is awarded to the finest speaker. The group also undertakes community service projects, as the Community Center clothing drive. With the help of Mr. M. Bedford, Advisor, the officers: Crerar Douglas, President; Robert Dobrasz, Vice-President; Mark Siegel, Secretary; Peter Hessinger, Treasurer, Forensic had another successful year.

MATH CLUB

Such topics as "The Effect of Factorability in Multiplying," "Logic in Mathematical Solution," and "How to Use the Slide Rule" are presented by our mathematically inclined students to their fellow Math Club members this year. These topics are representative of the Club's purpose: to explore subjects of a mathematical nature not covered in any regular course of study. Many of the members attended a University of Buffalo undergraduate Math Club meeting for high school students to hear lectures on mathematical programs. The Club officers are: President Joel Joseph, Vice-President Bradley Smith, Secretary Tannis Valley.

COMMITTEE ON SCHOOL APPEARANCE

This newly organized faculty-student committee has our school's appearance at heart. It meets occasionally to suggest and to initiate action on improving our guise. Their suggestions, as keep-off-the — grass signs, study and main hall improvements, office draperies, holiday decorations are presented at Student Council meetings and executed by it. A spic and span, N.F.H.S. is the result.

BUSINESS WORKROOM

This N.F.H.S. service group attends to our Student Council, Yearbook, and **Stardust** requirements, variety show programs, senior class needs, and other typing jobs essential to school activities. Typewriters click busily under the fingers of our business students during activity period to handle these projects. FOOTBALL

This year Niagara Falls High School football team completed a very successful season under their new coach Mr. A. Calandrelli. They finished the season with a six and two record, beating all their opponents except North Tonawanda and Tonawanda. The fine coaching of Mr. A. Calandrelli and the leadership of co-captains Leo Maj and John Scavulli molded this year's team into one of the best in the league. Their four shutouts in a row against LaSalle, Trott, Lewiston-Porter, and Lockport emphasized the prowess of an excellent defensive team. Also, the Cataracts again emerged as the city champions. Individual honors went to George Zalocha, named to the all-league team and the all-city team, and to Leon Smith, and John Zankowski, who were named to the all-city team.

BASKETBALL

Coach James O'Shea encountered a gigantic rebuilding job in his initial year as cage mentor at Niagara Falls High School. The loss of the first seven players of the 1960-61 season left Coach O'Shea with few experienced players. Nevertheless, the Cataracts came up with a team that spelled danger to the first division clubs throughout the season. The "Cataracts" improved steadily as the season progressed, and after the second Kenmore-East game experienced a three game winning streak going into the final two games against North Tonawanda and traditional rival and City Champs, Trott.

Niagara Falls High School can boast of two of the league's leading scorers in Ron Bator and Leon Smith. We predict now that with the return of Frank Carter, Ron Nabors, John Hayes, Pete Hartmans, Craig Finger, Lovelle Stevens and a sound Junior Varsity squad, the Cataracts will be sound contenders for the league championship next year.

Seniors Ron Bator, Leon Smith, John Goodfellow, George Zalocha, Jeff Guerhing, Bob Clayton, Joe Hurst, Wayne Landesman, and Tom Martin have instilled in the returning team examples of fine sportsmanship, the desire to win and uphold the proud name of Niagara Falls High School.

Our track team last year had a typical year. We were perennially strong in the dashes and field events, and through the efforts of many fine seniors we were able to earn a 5—3 record. We could count on wins from Bob Jones in the high jump and broad jump, Millard Ellis or Nick Rizzo in the hundred yard dash, Jim May in the hurdle and Jerry Norgiel in the shot. Other seniors were Don Thompson, Jerry Dunlop, Joe Smith, James Broswell and Charles Glover.

Outstanding juniors include Curtis Bolden in the 880, Leon Smith in the hop-step and jump, Otis Renford in the dashes, Ollie Dozier, and Joe Hurst in the high jump. Our miler last year was a sophomore Charles Harding who should be back this year.

Individual honors must be given to Bob Jones and Millard Ellis for efforts in the Section VI Class AAA meet last year. Bob Jones made a double win in the high jump and broad jump for ten points while Millard Ellis added another seven points to give Niagara Falls a third place in the meet.

TRACK
CROSS COUNTRY

In 1961, Niagara Falls High School was one of the last N.F.L. schools to be introduced to a new sport, cross-country. This is a sport which requires a great deal of rigorous training and determination on the part of the participants. The dual and triangular meets consisted of a race anywhere from two to two and a half miles in length over a preplanned course. Points are scored on the positions in which the first five runners of each competing team cross the finish line. At the end of the season, league and sectional meets are held in which each team is allowed to place a limited number of contestants.

KNEELING: Charles Conoso, Chuck Harding, George Dlugosz, Les Mackenzi, Mike McKinney, Bill Seiner, James Candella, Dan La Verde. **STANDING:** Roman Pavlock, Coach, Jerry Simone, John Colvin, Louis Tonetti, Joe Hurst, Curtis Bolden, Dennis Lee, Richard Moldenhaur, Steve Hyla.

Every Tuesday afternoon a group of boys invade the Bowl-O-Drome bowling alleys at three-thirty. Their advisor, Mr. J. O'Shea, supervises the boys while they bowl. As in every league, good records must be kept, and Carl Brown has been elected Secretary to take care of this. A team of boys, composed of the best bowlers in the league, represented Niagara Falls School in the Spring Sectional meet in which we placed second last year.

BOWLING

TENNIS

The Niagara Falls High School Tennis Team finished the 1961 season fifth in the Niagara Frontier League with an overall record of 6 wins and 8 losses.

Captain Tom Jarzab led the singles players in a number of wins while in the doubles the team of Jerry Zipp and Mark Canfield was prominent.

One high spot of the season was the second match with Kenmore West when Tom Jarzab came through a grueling three hour ordeal to win the second singles, (3—6, 12—10, 11—9). This was the lone win of the day.

SWIMMING

Once again, as in preceding seasons, the Niagara Falls Swimming Team, captained by Andy James, was hampered by a shortage of swimmers and a short pool, now the only one in the league. In spite of these difficulties, the squad managed to fare favorably in the N.F.L., the third ranked league in the nation.

Coach David Reeser's nators, however, received a bad break in the meet with Kenmore-East in which the last event was necessary for a victory by either team. The Cataracts flashed to victory but were stunned by a disqualification which cost the meet and their place in the first-division during an abbreviated second round.

Although lacking in numbers, the Niagara Falls High School squad had its share of outstanding performances. Record-breakers were juniors Brian Talbot, Bob Gazy, Gary Martin, and senior Andy James.

Niagara Falls High took two first places in the Sectionals last year. Gary Martin won the butterfly and Andy James captured the freestyle event.

Joe Magliarditi led the team in hitting with a .370 average. Our team was the hardest hitting team in the league, and we had two of the best pitchers in the league in George Zalocha and Dave Kenny. Eight members of the team were selected on the All-City team; Dennis Scouler, Dave Kenny, John Goodfellow, George Zalocha, and Joe Magliarditi were named on various All-League teams.

CHEERLEADERS

The Niagara Falls High School cheerleaders do their best in promoting an enthusiastic school spirit and the importance of good sportsmanship. Under the supervision of Miss M. McDougall, these girls try to interest the students in backing their team. After tedious hours of practice, the cheerleaders stand before a roaring student body and cheer on their team. In addition to promoting spirit, the varsity cheerleaders, captain, Bonnie Lutz, and co-captain, Dana Berman, fulfill other responsibilities. One of these is to aid in the advancement of the colors during the opening exercises. Another is to prepare and present entertaining pep assemblies.

At the beginning of the year, the junior varsity cheerleaders are selected from a large group of girls. They must possess such qualities as a pleasing personality and good ideas of sportsmanship, besides maintaining an 80 per cent average. Next year they will carry on the duties performed by Niagara Falls High School Varsity cheerleaders.

Four teams are formed to participate in the 1962 tournament. The winners will attend a basketball playday in March. The captains and co-captains of the teams include: Betty McGhee, Sandra Braswell, Lillian Cox, Linda Perkins, Jane White, Carol Scott and Rosemary Love.

GYM LEADERS

Niagara Falls High School girls interested in working towards an athletic letter are given a chance to earn points by participating as gym leaders. Extra study halls are devoted in the gym, assisting Miss M. McDougall and Miss F. Morse. Each semester, fifty points are earned by officiating games, giving tests, and caring for equipment, along with their other duties.

Besides the fun and recreation of swimming, the girls enjoy a splash party with the boys' swimming classes. An intramural event was also planned.

BADMINTON

The girls of Niagara Falls High School are offered tremendous opportunity to improve and exercise their abilities in the field of sports. One tournament held during the year to further this was badminton.

There were actually two badminton tournaments during the season: a singles and a doubles. Each girl could enter either or both of them. The object of the singles tournament was to select the most talented junior and senior badminton player. The object of the doubles was to find the two outstanding junior girls and two senior girls in the sport of badminton.

Under the supervision of Miss F. Morse, the winners of the doubles tournament attended a play day at LaSalle Senior High School on April 11, 1962. The competing teams were Trott Vocational High School, LaSalle High School, and Niagara Falls High School juniors and seniors. Betty McGhee was chairman of the event.

TABLE TENNIS

In June, 1961, a very diligently fought battle took place among the girls of Niagara Falls High School in the table tennis tournament. After meeting on Wednesdays at 3:00, the final outcome was Barbara Henderson, winner of the singles. Her opponent was Mae Dupree, and the scores were 21—11 and 21—11. Similarly, in the struggle for doubles' champions, Barbara Henderson and Joan Herman were victorious in their game against Ann Marsh and Judy Brown. The scores were 21—12 and 21—14.

The table tennis tournament was the last sport event for girls' participation in school.
